

## California Sexual Assault Investigators Association

### ONE DAY VIRTUAL TRAINING

#### *Vulvar Disorders in Children: How They Can Mimic Sexual Abuse*

In this one-hour virtual course, you will be familiarized with and learn how medical conditions such as vulvar disorders can mimic abuse. Please plan to join us for this free one-hour conversation with the reputable and dynamic Dr. Brecht-Doscher, a leading OBGYN Attending Physician.

During this one-hour course, Dr. Doscher will cover the following topics:

- Pediatric exam
- Normal findings
- Dermatitis
- Infection
- Accidental trauma

**This training will only be offered on a virtual platform.**

**All Registrants will receive a virtual link prior to the training via e-mail.**

**DATE: Tuesday April 30, 2024**

**TIME: 10:00 – 11:00 AM**

The instructor for this one-hour learning opportunity will be Dr. Brecht-Doscher, Medical Director, Ventura County Forensic Program. Dr. Brecht-Doscher is an OBGYN attending physician in a family practice teaching program. She practices and teaches general obstetrics and gynecology. She is particularly interested in pediatrics and adolescent gynecology, which led her to run a clinic for the County of Ventura that is explicitly related to pediatric gynecology. Dr. Brecht-Doscher has been invited to speak as an expert at many conferences and is considered an expert in the field of pediatric gynecology.

**Course Cost: FREE to all registrants**

**For Registration, please go to: <https://csaia.wildapricot.org/>**

**Provider approved by the CA BRN, provider number 11862 for 1 contact hour**
